

The La Cañada Junior Women's Club is currently renewing membership!
2020-2021

The Juniors will continue to support Mending Kids for an additional year. Mending Kids gives sick children life-saving surgical care, while advancing education and training towards medical sufficiency in their communities.

In order to provide for the safety of our membership, our club will adhere to social distancing guidelines due to the covid-19 pandemic. The Juniors general membership meetings will be held via Zoom on the 3rd Wednesday of each month at 7pm. Join us for an hour of laughter, games and a place to connect with friends. Your invitation to join us on Zoom will be emailed soon!
